**Subject: Dangerous Goods
OPS 1004 2025**

Dear Customer,

We hereby inform you that, in compliance with the established procedures and in accordance with the guidelines regulating the handling of dangerous goods — and in coordination with the corresponding authorities — the handling of the dangerous goods listed in “Annex 1” of this communication is subject to prior authorization by SSA Marine Mexico (Specialized Container Terminal and Multipurpose Terminal). In some cases, such handling may be restricted.

This applies to **imports, exports, and in-transit cargo** (when the destination is not the Port of Manzanillo)

We kindly ask that you share this information with your partners so that all involved parties can take it into consideration when planning their operations.

Sincerely,

SSA Marine México.
